

THE KINGSTON GREENS

Yes, I would like to join/support the Kingston Greens!

Even though you are donating to the *Kingston Greens*, you must specify the level at which your donation should be used; federal, provincial, or both. By default, your donation is taken to cover your membership fee: for federal donations, \$10 is forwarded on to the Green Party of Canada; for provincial donations, \$20 is forwarded on to the Green Party of Ontario. If you wish to donate, but do not want to become a member, let us know in the 'Donation Options' section.
